DEPT B.TECH (MECH)

Currently I am...

CEO , GluePlus Innotech India Pvt. Ltd.

My memories from Karunya...

Karunya gave me opportunities to harness and develop the Leadership potential within me. It was in Karunya that my talents were further molded, sharpened, harnessed and matured. At a strategic level, what I'm really saying is that the "Soft Skills", the "Behavioral skills" and the "Can do" winner-attitude that I picked up at Karunya have helped me succeed in my Corporate Career!

Paul Jeyasingh

USA

BATCH 1989-1993
DEPT B.TECH (MECH)

Currently I am...
ASSOCIATE PARTNER
IBM

My memories from Karunya...

The beautiful campus, daily morning worship, the hostel prayer cell groups, the amazing staff and students makes a deep, lasting impact on the lives of all the students. I have seen my Karunya friends truly “Rise & Shine” all over the world.

Daniel Jacob

Chennai, India

BATCH 2003-2005

DEPT MBA

Currently I am...

General Manger- HR, EC Group

My memories from Karunya...

Karunya has friendly, approachable professors who helped me learn every day and grow as a professional. I was growing strong day by day in the Lord and got various opportunities to participate in different spiritual activities which molded me as a better person.

Joshua Madan

Chennai, India

BATCH 1994-1998

DEPT B.TECH (ECE)

Currently I am...

CEO- Covenant Group,

My memories from Karunya...

I can confidently say that the four years I spent in Karunya turned my life for the better. It is in Karunya I developed leadership skills. When I joined Karunya, I was not a good speaker. But today I am able to speak to the top officials of many Multinational Companies, conduct personal interviews and serve as visiting faculty in many Management Institution
