6. Registration closes 48 hrs. prior to the commencement of the entrance examination.

7. Login credentials along with the URL link of the online examination portal will be shared with the candidates 24 hrs before the examination slot through the registered e-mail. [Candidates are advised to check the **SPAM** folder also]

8. Once the candidates receive the link, they can login and attempt the practice (mock) test.

9. The entrance examination link available in the online examination portal shall open at **2:30 PM** on the day of the examination and shall close at **3:30 PM**.

10. If the candidate finishes the test before the stipulated time, he/she shall submit the answers and shall EXIT from the online portal.

11. Candidates are allowed only once to take the online entrance examination on any date mentioned on the official admissions page.

12. Candidates may ensure proper internet connectivity and bandwidth. In the event of any unforeseen interruption during the examination, the candidates need not panic as the Examinations platform is programmed to save the questions attempted before any abrupt shutdown. However, such candidates can re-login and continue the examination within the stipulated time.

13. **Publication of Results**

    Results will be published online within three working days after the completion of the examination. Candidates can visit (http://web.karunya.edu/exam//kee2023/login.asp) to view their selection status by logging in with their application number and their registered mobile number.

14. **Help Desk**

    In case any assistance is required, candidates can send an email to examsupport@karunya.edu. mentioning their application number in the email for quick response.

BEST WISHES
